

**Serving Sexual Assault Survivors:**  
**Conducting A Holistic Intake & Integrating Sexual Assault Into**  
**Your Core Services**<sup>1</sup>  
**Scenarios**

**Scenario #1**

Mariella is a native of Costa Rica came to the U.S. in 1999. Mariella enrolled in public school and played sports. She was a very good soccer player. Her coach has been sexually assaulting her for two years and threatens to have her and her family deported if she says anything to anyone about the “relationship.”

**Scenario #2**

Soraya and Bob go to Downstate University. They have friends in common and often socialize together. One night he walked her back to her dorm room where they hung out for a while kissing. Bob wouldn't leave; later that night he raped her. Soraya reported to law and local enforcement but Bob is well connected; the case isn't moving forward. She wants to stay in school and wants Bob prosecuted.

**Scenario #3**

Mai works in bar. She was raped by the man who delivers the beer. She wants to keep her job but feels unsafe.
